Parade Bike

Heber city, UT | 1 days

\$6,499.00

This is an absolutely beautiful Kawasaki Vulcan 2000 with only 3370 miles on it. 2007 model year 2000cc liquid cooled motorcycle, with 2 seats and back bar or single seat with leather fender cover. Saddle bags and windshield. This bike was purchased to allow a Not for Profit mascot to participate in parades and safe kids fairs around the state of Utah. Maybe you've seen him. NEVER been laid down and runs like a cut cat. This is an absolute steal for this bike.
